

## If it FITS, it SHIPS!

To save our customers' money, we are using the United States Postal Service (USPS) for many small package shipments.

**We are saving our customers ½ of the freight cost over other methods of freight for small box shipments!**

We will need your help, to save you on the freight!

Work with your Shield Ag Territory Manager to make sure that you have a valid USPS (Post office) shipping address.

Your contacts to set this up:
