27PL6 CLT	27"	Smooth	4-1/16"	3	6.0	0.236	5.5"	5	0.5313	33.13

An exclusive process developed by ShieldAg assures the flattest, truest-running coulters on the market!

Plain Concave Disc Blades

All ShieldAg disc blades are manufactured using earth-metal Boron steel preferred by most original equipment manufacturers. Our blades are heat-treated and oil quenched for longer life.
