

ShieldAg/ABM Milo Guards

ShieldAg/ABM Milo Guards are manufactured in Kansas and are designed for most popular makes and models of standard small grain headers, **INCLUDING DRAPER HEADERS.**

We stock the **ORIGINAL ORANGE ABM** Milo Guards. Make sure you are getting **the only Milo Guards Made in USA—the ORANGE one!**

- Look for ORANGE grain saver boots, a great optional feature
- Our tine wires are made of high quality heat-treated spring steel
- Our construction is heavy-duty for extreme applications

ShieldAg will have your ABM Milo Guard Fall 2007 pricing program in your hands by June 1st, 2007.

The **ORIGINAL ABM Milo Guard** line has been expanded to work on more draper headers.

Our 2007 Milo Guard Program will **INCLUDE** a new series designed for the John Deere 600-series Flex Header. See complete descriptions below.

Milo Guards for most standard small grain headers

Part #	Description	Weight Lbs	Retail Price
FG-077	7 Point Section	4.63	2007 Program & Pricing Available June 2007
FG-087	8 Point Section	5.38	
JDF-010	C-Clasp	0.08	
K11-001	C-2 Clasp	0.09	
WND-002	H-Clip	0.07	
WND-004	H-3 Clip	0.07	
WND-103	H-4 Clip	0.07	
11X-1308	Z-Clip	0.12	
11G-1301	Tine Clip	0.02	
11G-1401	Guard Point Clip	0.03	
11X-3202	Tine Wire, high strength spring steel	0.12	
ABM-2005	Orange UHMW plastic grain saver boot	0.16	

On standard headers, we recommend installing grain saver boots on every other set of tine wires to increase grain savings and help keep the wires out of the sickle.

Milo guards for John Deere draper headers and John Deere 600-series rigid platforms

NOTE: These milo guards fit over standard length guard points on 4" spacings
