

Crustbuster Replacement Parts

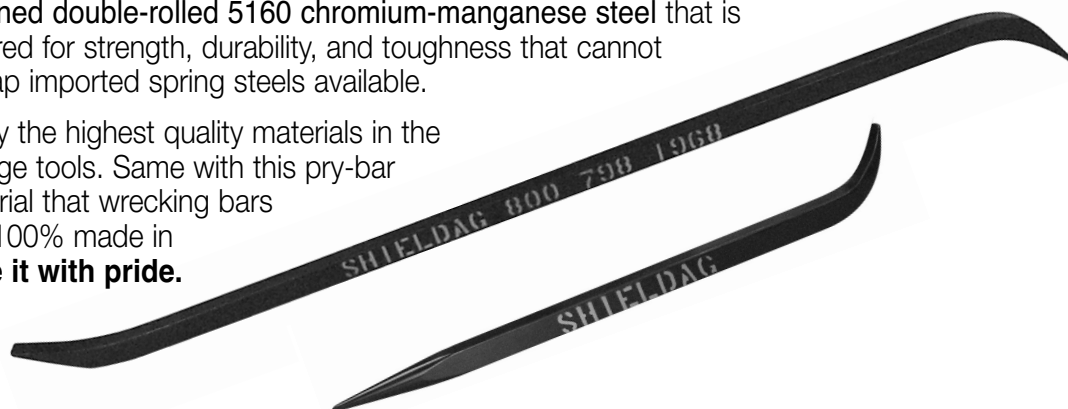

Part #	Description	Weight Lbs
KB-1	Double End Point	1.45
KST-1	Shank	7.75

ShieldAg Pry Bars

ShieldAg pry-bars are manufactured from the finest chromium spring steel available. This material is fine-grained double-rolled 5160 chromium-manganese steel that is heat-treated and tempered for strength, durability, and toughness that cannot be matched by the cheap imported spring steels available.

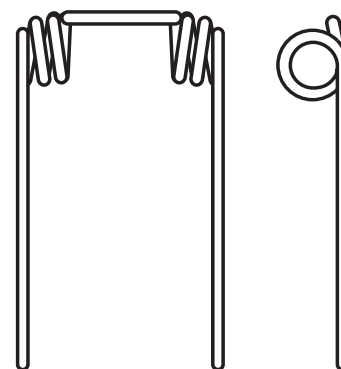

At ShieldAg, we use only the highest quality materials in the manufacture of your tillage tools. Same with this pry-bar — it's made of the material that wrecking bars used to be made of — 100% made in USA. **Use it and abuse it with pride.**

Part #	Weight Size	Lbs
SPB-1	1 x 1 x 45" Double Hook Bar	13.00
SPB-2	1 x 1 x 23" Point Bar with 7° Taper	6.50
